Dear Parents and Carers

The Academic Achievement Centre is a new learning initiative being introduced in Term 2 at South Grafton High School. This service is staffed by teachers across a range of subject areas. Students have the opportunity to work in small groups or independently, and can seek assistance from teachers with homework, assignments, exam preparation and general study techniques. These sessions will foster a collaborative approach to study and learning, and aim to improve academic achievement, exam performance and self-confidence for participating students.

Teachers will volunteer their time to run two sessions a week. Due to timetable constraints, these sessions must occur outside normal school hours. The sessions will be in the Library on Tuesday mornings from 8am until Period 1 and on Wednesday afternoons from 3.20 pm – 4.30pm. Transport will need to be arranged by parents to and from school for their child to participate in the program.

If you wish your child to participate in the before and/or after school Academic Achievement Centre, please complete and return the permission note attached below. Return of the permission note does not require your child to attend every session.

Yours sincerely

Rachel Piper

Co-ordinator

Megan Johnson

Principal

I give permission for my child _____ of Year _____, to participate in the **before / after school Academic Achievement Centre** at South Grafton High School on Tuesday morning and/or Wednesday afternoon.

I understand that I will need to arrange transport for my child.
